

UNDERGRADUATE STUDY

Welcome to Queen Mary University of London, a Russell Group University like no other. We combine academic excellence with a nurturing and supportive student experience, vibrant city life with the safety of a campus community, and a rich history with a diverse, innovative outlook.

Who we are

Queen Mary has a proud and distinctive history stretching back to 1785 and beyond. From the very beginning, inclusion and social justice have been at the heart of our mission.

Today we are one of the world's leading research-intensive universities. QMUL ranks 103rd in the QS World Rankings 2027 and in the Times Higher Education rankings 2026, we sit within the top 7% of global universities overall and in the top 1% for research.

Ranked at 16th for 2026, Queen Mary has been among the top 20 UK universities targeted by leading employers for the past six years (The Graduate Market in 2026 report).

Tuition fees are listed at the top of our course pages and we have various scholarship awards for undergraduate students. You may be eligible for up to £20,000 award over a 4-year programme! Find out more at qmul.ac.uk/scholarships.

The London advantage

At Queen Mary, you get the safety and security of campus life while living in one of the most exciting parts of London. Here you will have access to our state-of-the-art facilities, exceptional teaching and dynamic student community. All of our London campuses are well connected, making it easy to explore and engage. Additionally, as a member of the University of London, students have access to a wide variety of additional facilities throughout the city.
